September 24, 1991

What a fine gift! Thank you very much for the beautiful flag case. I would be honored to store my retirement flag in such a wonderfully made commemorative case.

Let me assure you there was no place I would have rather been than leading America's finest in Operations Desert Shield and Desert Storm. The pride and professionalism our sons and daughters displayed in the performance of their duties was truly inspiring. I could not have been prouder of them.

Again, thank you for your thoughtfulness and for standing squarely behind our men and women in the Middle East. God bless you.

Sincerely,  
*H. Jordan Schwaninger*
